

Fred Silva

How many classes/years have you taught at LifeQuest?

- Two summers (Quartet of scientists), and 4 or 5 spring or fall sessions

Please list your most recent job title:

- Senior Consultant, Arkana Laboratories, Little Rock, Arkansas

What is your educational background?

- MD from Univ. of Oklahoma

Please list experiences, awards or recognition you've had which are related (or not!) to your upcoming class topic:

- Started in 1980 giving lectures to the general public on science topics and related theological overlaps about cosmology, origin of life, evolution, genetics and ethics, neuroscience, why is there something rather than nothing, time, multiverses, consciousness-matter, etc (relationships between science and religion/theology)

Please tell us why you like to (or are interested in) teaching at LifeQuest:

- “Gotta teach” (been doing it my whole life)
- One of two best ways of learning a subject and keeps me reading (my hobby)

List three distinctive personal facts about yourself:

1. Married to an angel/saint Jean
2. Daughter Lindsay – PhD in neuroscience; postdoc in Richmond, Virginia, Virginia Commonwealth University medical center
3. Dad and Mom- Professional musicians and teachers of various forms of music (Dad-Big Band Leader)
4. Me—Love to read and put together lectures of impossible subjects
